Open House was a success!

Thank you to all of our families and staff for making Open House a success. Fuzzy Falcon enjoyed seeing all of our families and students ready to learn and grow. We are going to have an amazing 16-17 school year!

This week we will be kicking off the PBIS Falcon Way where we teach students the expectations in all school settings.

You will find Denise in the office working to ensure students, staff, and families have all their questions answered and needs met. She truly cares for her Forest Park Families and will work tirelessly to ensure things are just right. Forest Park is extremely fortunate to have her knowledge, commitment, and heart. Thomas Deleon, Mike Gombar and Maurice Williams are the amazing gentlemen that make up our custodial staff. These men work to ensure our students, families, and staff have the best learning environment. They worked very hard to ensure the interior and exterior of Forest Park looked great after all the commotion of teachers moving in, changing rooms, and staff work days. These men do this with a smile and amazing positivity. We are thankful for their dedication and commitment to Forest Park. We are excited to celebrate their excellence. They are Forest Park Super Heroes!
